

Use of Facilities in the Waynesfield-Goshen School District

The Waynesfield-Goshen Board of Education recognizes that there is a responsibility to facilitate the use of all school facilities and equipment by school children, groups and district citizens. Community organizations shall be permitted to use school facilities for worthwhile purposes when such use does not impede or interfere with the school's programs or operations.

The following policies and forms have been developed to protect and secure the facilities while providing public access. The school district reserves the right to charge fees and to recover additional costs required for supervision, cleaning, or to repair damages. Please refer to the facility use links below.

Facilities can only be used between the hours of 3:00 p.m. to 11:00 p.m. weeknights except Wednesday and 7:00 a.m. to 11:00 p.m. Saturdays. The facility is not available Wednesday after 6:00 or all day Sunday unless special board action waives this limitation.

It should be noted that any group requesting facility usage may be subject to cancellation of the permit due to previously unscheduled school events, changes in the school calendar, or due to weather related hazards. Whenever school activities are cancelled, all use of facilities is also cancelled.

Any questions regarding the use of facilities should be directed to the specific building administrator of the building being considered for use.

The order of priority for use of school facilities in the school district will be as follows:

1. Uses directly related to the schools and the operations of the schools
2. Uses and groups indirectly related to the schools
3. Non-profit resident organizations of the District
4. For profit resident organizations of the District
5. Non-resident organizations.
