

# Summary of Insurance Coverage and Policy

Optional, and very affordable, insurance may be purchased to cover the students' computers. Parent's not purchasing insurance will be held responsible for damages to Chromebooks and accessories at the cost listed below. We highly recommend that parents purchase "Chromebook Insurance" for \$50.00 which will cover the cost of up to 3 repairs or 1 replacement; in the event the device cannot be repaired. Without the purchase of the insurance, students (parents) will be responsible for all costs for repairs or replacement should something happen to the device. Insurance payments will be collected at Open House when forms are signed and submitted.

## Replacement Costs:

- o iPearl mCover: **\$18**

- o Chromebook: **\$250**
